

College Preparation

3 Workshops and 2 Tests

PSAT: What Do Your Scores Mean? Thursday January 21 , 6:00-7:00 p.m
Get help decoding your PSAT score. Learn what this score tells you about how you will perform on the SAT.

SAT Ten Question Challenge: Thursday February 25, 6:00-7:00 p.m.
Students will try 10 tough SAT questions and learn 10 winning strategies to help them succeed on Test Day.

SAT Practice Test: Saturday March 20, 12:00-4:00 p.m.
A fully-proctored practice SAT will show students what to expect in a test-like environment. Students will receive a comprehensive analysis of their performance on the test, detailing individual strengths and weaknesses.

SAT vs. ACT: Thursday April 8, 6:00-7:00 p.m.
Find out the difference between these two tests and which you should take.

SAT/ACT Combo Practice Test: Saturday May 8, 12:00-4:00 p.m
A fully-proctored practice test including both SAT style and ACT style tests.
